REMARKS

The above Amendments and these Remarks are in response to the Office Action, mailed August 22, 2007. Applicant is required under 35 U.S.C. 121 to elect one invention for prosecution on the merits.

In response to the restriction requirement, Applicant hereby elects, without traverse, the claims of Group I, claims 1-29, to prosecute in the present application. Concordantly, Applicant has canceled the claims of Group II, i.e., claim 30, currently. Applicant reserves the right to prosecute the claims of Group II in a divisional application.

In view of the foregoing, the present application as defined in the pending claims is considered to be in a condition for allowance, and an action to such effect is earnestly solicited.

Respectfully submitted,
CHEN, GA-LANE
